If a Proposer is unable to attend the Pre-Qualification Conference, questions may be submitted in writing. Proposers are encouraged to submit written questions, via electronic mail or facsimile, by March 15, 2010 to the Director of Innovation & Efficiency listed above. The purpose of this conference will be to clarify the contents of this Request for Qualification in order to prevent any misunderstanding of the ETCOG's position. Any doubt as to the requirements of this Request for Qualification or any apparent omission or discrepancy should be presented to the ETCOG at this Pre Qualification conference. The ETCOG will then determine the appropriate action necessary, if any, and may issue a written amendment to the Request for Qualification. Oral statements or instructions will not constitute an amendment to this Request for Qualification.

SECTION I. GENERAL INFORMATION

PURPOSE OF REQUEST FOR QUALIFICATIONS (RFQ)

The East Texas Council of Governments (ETCOG) is soliciting and receiving qualification statements for Architect and Engineering Services to provide comprehensive professional engineering, planning, environmental, and construction phase services on an as needed basis in connection with the development and improvement of facilities for East Texas Council of Governments.

The type of services may include, but not limited to, civil, environmental, mechanical, and electrical engineering design; utilities and infrastructure design; storm water and drainage system design; surveying; preparation of plans, specifications, and engineer's reports; cost estimating and scheduling; technical studies; permitting; bidding and award; construction administration and resident engineering inspection; project record-keeping and close-out services; and all other related services.

The firm selected to provide these professional services may be awarded a contract, subject to approval by the ETCOG Executive Committee. The tasks to be undertaken by the consultant shall be on a task order basis with the fee for each project or task to be determined by a Work Order identifying specific scope of work and costs at the time of the request by ETCOG.

The Request for Qualifications (RFQ) documents will be available beginning Tuesday, February 22, 2010. Documents may be picked up at 3800 Stone Road, Kilgore, Texas 75662 during regular business hours Monday through Friday, 8:00 a.m. to 12:00 p.m. and 1:00 p.m. until 5:00 p.m. Please note that our office is closed from 12:00 p.m. to 1:00 p.m.

Electronic copies of the RFQ documents can be obtained by contacting Deborah Butts at deborah.butts@etcog.org or by download from the ETCOG website at: www.etcog.org

The ETCOG reserves the right to accept, reject, cancel or modify any bid or qualification, waive all formalities, and to award the bid most advantageous to the East Texas Region.

There is no expressed or implied obligation for ETCOG to reimburse responding entities for any expenses incurred in preparing or presenting Qualifications in response to this request.

It is also intended that the services provide to ETCOG as a result of this RFQ will provide future opportunities to the winning proposer for branded services under ETCOG through interlocal agreements with ETCOG member governments that would benefit from these services and want to participate.

ETCOG INFORMATION

The East Texas Council of Governments (ETCOG) is a voluntary association of counties, cities, school districts and special districts within the fourteen-county East Texas region. ETCOG assists local governments in planning for common needs, cooperating for mutual benefit and coordinating for sound regional development. Established in 1970, ETCOG, either directly, or through its contractors, provides programs and services for East Texas seniors, employers, and job seekers. ETCOG and its contractors also facilitates and manages the 9-1-1 emergency call delivery system, provide peace officer training, homeland security planning services; deliver rural transportation services, business finance programs, and environmental grant funding for the region.

General Information

All Qualifications and related materials become the property of ETCOG and will not be returned. All transactions are subject to the final approval of ETCOG. ETCOG reserves the right to reject any or all Qualifications without cause for liability.

Scope of Services

Professional services needs are anticipated for multiple facilities across the East Texas Region, representing a wide variety of building/occupancy types. Specific projects are likely to be identified with a broad scope requiring a full range of architectural, engineering and other professional services, as well as more narrowly defined design projects or advisory services with scopes that are predominately: 1) Texas Accessibility Standards (TAS) Compliance, or 2) Building Code Compliance and require the performance of **PSPs** with these capabilities. Each project will be assigned to a PSP which will provide the required professional disciplines with its own forces or qualified professionals subcontracted to the PSP.

ETCOG is seeking architect and engineering services. Specific responsibilities include, but are not limited to:

Parking lot and drive expansion including lighting, striping and curbs are planned on existing lots located at 3800 Stone Road, Kilgore, TX. The project includes design and construction that coordinates with to the structure of Stone Road building. Gates with electronic gate openers, security lighting, and security cameras will be included.

Restroom renovations and expansion.

Security system/Fire Alarm System/Keyless Entry/Monitoring Services

Renovation of building interior. Designated staff will work to finalize the design for the interior layout of office space based on approved standards. All options for office space are being

reviewed (cubicles, desks, modular walls, etc.) including reutilization of existing furniture; maximize aesthetics and efficient use of current resources and space.

Bus shelters are planned following adoption of a new route. New shelters will be required on the new routes from the study. The project will require all of the new locations to be compliant with the Americans with Disabilities Act (ADA) regulations. If adequate funds are available, additional improvements to existing, shelter sites are anticipated.

The consultant will be requested to develop plans, studies, and bid packages to meet, but not limited to, all DOL, DHHS, DOT, TWC, TxDOT, THHS, TDADS, and City of Kilgore specifications. Contracts will be developed using Federal, State and Local guidelines and requirements. All materials will be deliverable quality unless stated otherwise in work order.

A consultant master agreement will be prepared by consultant. Each project or task will be authorized by a work order identifying the specific scope of work with the fee for each project or task. The costs will be established and agreed upon at the time of the request.

The amount allocated for fees will be negotiated with the Firm found best qualified. The Firm will be paid for services not to exceed the negotiated amount unless amended with a contract change order. A detailed scope of work and cost for project services will be negotiated once funding has been approved. The project will be conducted within the parameters and requirements of a negotiated contract.

These projects will be subject to the availability of funding and nothing shall obligate the ETCOG to proceed with any of the projects. All work shall be accomplished in compliance with all Federal, State, and local guidelines and regulations including the Environmental Protection Agency and Texas Environmental Statutes

SECTION IV. GENERAL PROVISIONS

Provisions of this RFQ and the contents of the successful responses are considered available for inclusion in final contractual obligations.

A response to this request does not commit ETCOG to award a contract or pay any costs incurred in the preparation of a response nor to pay for any other costs incurred prior to the execution of a formal contract.

ETCOG reserves the right to accept or reject any or all Qualifications received and to cancel this RFQ in part or in its entirety.

ETCOG reserves the right to make any changes to this RFQ, as it deems necessary. ETCOG will provide notification of such changes to all organizations recorded as having received or requesting an RFQ.

ETCOG reserves the right to make such additional investigations, as it deems necessary to establish the competence and financial stability of any proposer submitting a qualification.

Experiences with the ETCOG and entities that evaluation committee members represent may be taken into consideration when evaluating qualifications and experience.

Joint Qualifications or Co-Qualifications are allowable. A description of the relationship and the joint proposers must be included.

All contracts negotiated as a result of this Request for Qualifications will be require contractors to maintain documentation, which substantiates the expenditures in order for their invoice to be paid. The proposer shall have the fiscal capability to wait for their reimbursement of funds. Reimbursements are generally processed within thirty (30) days of receipt.

Proposer must agree to comply with East Texas Council of Governments fiscal policies. ETCOG will consider comparable policies if the policies meet grant requirements and are approved as a part of the contract negotiation.

The contract awarded from this Request for Qualifications may be funded from federal, state and local funding sources, including, but not limited to: United States Department of Transportation, United States Department of Labor, United States Department of Health and Human Services, Texas Department of Transportation, Texas Workforce Commission, Texas Health & Human Services, Texas Department for Aging and Disability Services as well as funds from the American Reinvestment and Recovery Act (ARRA).

ETCOG reserves the right to accept, reject or negotiate Qualifications received as well as to vary or waive any provisions set forth in this request for Qualifications in the best interests of the East Texas region.

This Request for Qualifications does not commit or obligate the ETCOG to pay for any costs incurred in the preparation of a response or in advance of the execution of a contract.

Proposers may not hire ETCOG management, support staff, or policy board members that were involved in the evaluation and/or selection process under this Request for Qualifications in order to provide services through the qualification.

Qualifications not selected for funding may be appealed only with respect to any fault or violation of law or regulation regarding the review process. Appeals must be filed within ten calendar days of the final action by the ETCOG Executive Committee, with David Cleveland, Executive Director, at the address identified above.

A qualification may be withdrawn at any time prior to the selection announcement date, by writing the primary contact person. Qualifications may be amended at any time after submission but prior to the due date by writing to the authorized contact person. Qualifications may be amended after the due date only at the direction of ETCOG.

ETCOG reserves the right to amend or withdraw this RFQ at any time. The ETCOG's governing boards reserve the right to reject any or all Qualifications under this offering.

ETCOG reserves the right to contact any individual, agency, or employer listed in a qualification or to contact others who may have experience and/or knowledge of the proposer's relevant performance/qualifications. ETCOG also reserves the right to negotiate the final terms of any agreement or contract with the proposer.

SECTION V. SPECIAL TERMS AND CONDITIONS

A. ETCOG is requesting Qualifications from firms who can adequately demonstrate they have the resources, experience and qualifications necessary to provide Architect and Engineering Services. All firms responding must be qualified and have licensed, trained, and/or certified personnel in accordance with state and federal rules to provide various consulting services, or must joint venture or subcontract with a qualified firm to provide the services proposed.

B. For purposes for satisfying requirements of the Texas Professional Services Procurement Act, this RFQ is designed to anticipate responses from professional proponents who may be otherwise be covered by the Act.

C. Minimally, ETCOG requires the services of a firm that employs professionals with sufficient credentials to perform Architect and Engineering Services.
