Medicare Part C & D Open Enrollment Has Begun

November 15th - December 31st

Kilgore, TX, November 22, 2011: On November 15, Open Enrollment began for Medicare beneficiaries to decide if a Medicare Part C or D plan is right for them, and if so, which plan they should choose. The East Texas Council of Governments (ETCOG) Area Agency on Aging (AAA) division will be conducting regional presentations and providing one-on-one assistance for Medicare Part C & D Open Enrollment.

Presentations will provide information on Medicare Part D coverage, plan comparisons; low income assistance programs, extra help with prescription costs and provide enrollment assistance. Presentation times and locations are pending in all of our 14-county area. Details are available by calling: 1.800.442.8845 or 903.984.8641 x269 or 213.

Attendees of a benefits counseling presentation should bring a list of their medications and dosage requirements. The Area Agency on Aging suggests Medicare beneficiaries seek the following information before enrolling in a new plan or making changes to their existing prescription plan:

1. Does your pharmacy actively participate with the plan you are considering?
2. Does your physician actively participate with the plan you are considering?
3. Does your hospital or place of treatment actively participate with the plan you are considering?

Open Enrollment ends December 31. You must have Medicare Part A and/or B to be entitled to Part D or both Part A and B for a Part C Advantage plan. Individuals, who cannot attend a presentation, can call the AAA toll free number for assistance. For more information, contact the AAA at 1.800.442.8845.
