

PRESS RELEASE

Local Transportation Group to Hold Community Workshops

East Texas, TX, June 14, 2011: Residents throughout East Texas will have an opportunity to share their opinion regarding the recommendations presented within the recently completed Regional Transportation Coordination Plan. Starting next Monday, representatives from the East Texas Regional Transportation Coordination Planning Steering Committee will host community workshops wherein attendees will be able to review the study's findings, ask questions, and help set priorities regarding proposed program/service recommendations. The goal of the Plan is the continued development of a practical and sustainable transportation network throughout the fourteen-county East Texas region. Community workshops will be held in Rusk, Marshall, Mineola, Gilmer, Henderson, and Tyler.

About ETCOG

The East Texas Council of Governments (ETCOG) is a voluntary association of counties, cities, school districts and special districts within the fourteen-county East Texas region. ETCOG assists local governments in planning for common needs, cooperating for mutual benefit and coordinating for sound regional development. Established in 1970, ETCOG, either directly, or through its contractors, provides programs and services for East Texas seniors, employers, and job seekers. ETCOG and its contractors also build the 9-1-1 emergency call delivery system, provide peace officer training and homeland security planning services; and deliver rural transportation services, business finance programs, and environmental grant funding for the region.
