

SENIOR FARE CHANGES EFFECTIVE OCTOBER 1, 2014

While an agreement between the Area Agency on Aging of East Texas and GoBus has permitted all seniors age 60 and over to ride free, funding constraints have forced the AAA and GoBus to enter into a new agreement for senior trips. Effective October 1, 2014, the Area Agency on Aging of East Texas can only pay for trips to medical appointments, dialysis, and senior centers for seniors who have qualified for AAA assistance. Seniors making a trip not covered by AAA or who have not qualified for AAA assistance must pay regular GoBus fares. To see if you qualify for AAA assistance, please call GoBus at 800-590-3371.
