The Certificate of achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management. An Award of Financial Reporting Achievement has been awarded to the department designated as primarily responsible for preparing the award-winning CAFR. This has been presented to the East Texas Council of Governments Operations Division.

"The Excellence in Financial Reporting award has been bestowed upon the East Texas Council of Governments for fourteen straight years and counting! This is a particularly impressive achievement when you consider the fact ETCOG currently manages over 80 different funding streams on behalf of the East Texas region" stated Executive

Director David Cleveland. "I am proud of our entire Operations team and all the staff of ETCOG who work hard every single day to ensure that our financial reporting is accurate and transparent for our funding agencies and the general public".

"We are very honored to receive this award," said Director of Operations, Wendi Horst. "It recognizes the standards our leaders expect from ETCOG on a national level and is a great tribute to the dedication and hard work of our team."
